Independent Auditors' Report

To the Board of Directors of Committee to Protect Journalists, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Committee to Protect Journalists, Inc. ("CPJ"), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Committee to Protect Journalists, Inc.'s as of December 31, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the CPJ's 2012 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 20, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2012 is consistent, in all material respects, with the audited financial statements from which it has been derived.

COMMITTEE TO PROTECT JOURNALISTS, INC. NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2013

Note 1 - Nature of Entity

The Committee to Protect Journalists, Inc. ("CPJ") is a not-for-profit corporation dedicated to supporting journalists and news organizations across the world who have been subjected to violation of their professional and human rights.

CPJ is a not-for-profit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and has not been determined to be a private foundation as defined in Section 509(a).

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting which is the process of recognizing revenue and expenses when earned or incurred rather than when received or paid. All significant receivables, payables, and other liabilities have been reflected.

b. Basis of Presentation

As a not-for-profit organization, CPJ is required to report information regarding its financial position and activities according to the following classes of net assets:

- ➤ *Unrestricted* represents all activity without donor imposed restrictions as well as activity with donor imposed restrictions, which expire within the same period that the donation is received.
- > Temporarily restricted accounts for activity based on specific donor restrictions that are expected to be satisfied by passage of time or performance of activities.
- > Permanently restricted accounts for activity restricted by donors that must remain intact in perpetuity.

c. Cash and Cash Equivalents

All liquid investments that are not restricted or held by the investment custodian and have an initial maturity of three months or less are considered cash and cash equivalents.

d. Concentration of Credit Risk

Financial instruments which potentially subject CPJ to concentration of credit risk consist of cash, money market accounts and investment securities which have been placed with financial institutions that management deems to be creditworthy. The market value of investments is subject to fluctuation; however management believes that the investment policy is prudent for the long term welfare of CPJ. At

year-end and at certain times throughout the year, CPJ had uninsured balances; however no losses have been suffered due to the failure of any of these institutions.

e. <u>Pledges Receivable</u>

Pledges expected to be received within one year are recorded at their net realizable value. Long-term pledges are recorded at fair value using risk adjusted present value techniques. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

All outstanding balances at year-end are reviewed for collectability through a review of specific accounts and factoring in historical trends. Management has established a reserve for uncollectable pledges totaling \$15,000 and \$30,000 for 2013 and 2012, respectively.

f. <u>Investments</u>

Investments are recorded at fair value, which is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Realized and unrealized gains and losses are included in income on the statement of activities. (See Note 5 for additional information.)

g. Fixed Assets

Fixed assets to which CPJ retains title and capital items purchased which benefit future periods are capitalized at cost, or if donated, at the estimated fair value at the time of donation.

Fixed assets are depreciated or amortized over their useful lives and lease terms using the straight-line method with a one-half year convention in the year placed in service.

h. Deferred Rent

Rent expense is recognized evenly over the life of the lease using the straight-line basis. Rent expense recognized in excess of cash payments, primarily due to free rent received at the beginning of the lease is reflected as deferred rent. In future years, when payments exceed the amount of rent recognized as expense, the deferred rent will be reduced until it is zero at the end of the lease.

i. <u>Contributions</u>

Contributions are recognized at the earlier of when cash is received or at the time a pledge becomes unconditional in nature. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted, depending on the existence and/or nature of any donor restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. However, restricted contributions that are satisfied in the same reporting period are classified as unrestricted.

j. <u>Management Estimates</u>

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make

estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

k. Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of CPJ.

l. <u>Summarized Comparative Information</u>

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with CPJ's financial statements for the year ended December 31, 2012, from which the summarized information was derived.

m. Accounting for Uncertainty of Income Taxes

CPJ does not believe its financial statements include any uncertain tax positions. Tax filings for the periods ending December 31, 2010 and later are subject to examination by applicable taxing authorities.

n. Subsequent Events

Management has evaluated for potential recognition and disclosure events subsequent to the date of the statement of financial position through May 19, 2014, the date the financial statements were available to be issued. No events have occurred subsequent to the statement of financial position date through our evaluation date that would require adjustment to or disclosure in the financial statements.

Note 3 - Pledges Receivable

At December 31, 2013, pledges receivable are due as follows:

Year ending: December 31, 2014	\$984,945
December 31, 2015	530,000
December 31, 2016	230,000
December 31, 2017	230,000
December 31, 2018	200,000
Total pledges	2,174,945
Less: allowance for uncollectables	(15,000)
Less: adjustment to fair value	(32,040)
Total	<u>\$2,127,905</u>

Note 4 - Investments

Equity funds

Hedge funds

Accounting standards establish a fair value hierarchy giving the highest priority to quoted market prices in active markets and the lowest priority to unobservable data. The fair value hierarchy is categorized into three levels based on the inputs as follows:

- Level 1 Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that CPJ has the ability to access.
- Level 2 Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3 Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

At December 31, 2013 investments consist of:

	<u>Level 1</u>	<u>Level 3</u>	<u>Total</u>
Cash	\$18,330	\$0	\$18,330
Bond funds	1,891,302	0	1,891,302
Equity funds	9,638,619	0	9,638,619
Hedge funds	0	<u>1,283,157</u>	<u>1,283,157</u>
_	<u>\$11,548,251</u>	<i>\$1,283,157</i>	<u>\$12,831,408</u>

Level 1 securities are valued at the closing price reported on the active market that they are traded on. Level 3 securities are valued based on the asset value reported by investment custodian. This method produces a fair value calculation that may not be indicative of net realizable value or reflective of future values. The use of different methodologies or assumptions to determine the fair value or certain financial instruments could result in different fair value measurements.

Note 7 - Permanently Restricted Net Assets

CPJ's endowment consists of four permanently restricted individual funds that are required to be held indefinitely. The income from these investments can be used to support general activities.

At December 31, 2013, permanently restricted net assets consist of the following:

Knight Endowment	\$5,000,000
Ford Foundation Endowment	1,500,000
Bloomberg Endowment	2,000,000
Annenberg Endowment	1,000,000
Total	<u>\$9,500,000</u>

Interpretation of Relevant Law

CPJ follows the New York Prudent Management of Institutional Funds Act ("NYPMIFA"). The Board of Directors of CPJ has interpreted NYPMIFA as requiring certain amounts to be retained permanently. Absent explicit donor stipulations to the contrary, the fair value of the original gift as of the gift date for all donor-restricted endowment funds will be preserved. However, under certain circumstances, CPJ has the right to appropriate

for expenditure the fair value of the original gift in a manner consistent with the standard of prudence specifically prescribed by NYPMIFA.

As a result of this interpretation, CPJ classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Absent any specific donor-stipulations, the remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by CPJ.

Spending Policies

In accordance with NYPMIFA, the following factors are considered in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund;
- (2) The purposes of CPJ's mission and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources available;
- (7) The investment policies:
- (8) Where appropriate and circumstances would otherwise warrant alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have.

During 2013, the board appropriated \$437,266 from the endowment.

Changes in endowment net assets for the year ended December 31, 2013 were as follows:

	<u>Unrestricted</u>	Temporarily <u>Restricted</u>	Permanently <u>Restricted</u>	<u>Total</u>
Endowment net assets, beginning of year	(\$79,664)	\$2,112,233	\$9,500,000	\$11,532,569

During 2012, the board appropriated \$300,000 from the endowment.

Changes in endowment net assets for the year ended December 31, 2012 were as follows:

	<u>Unrestricted</u>	Temporarily <u>Restricted</u>	Permanently <u>Restricted</u>	<u>Total</u>
Endowment net assets,

Endowment net assets,				
end of year	<u>(\$79,664)</u>	\$2,112,233	<u>\$9,500,000</u>	<u>\$11,532,569</u>

All endowment net assets are donor restricted.

Endowment Investment Policies

CPJ has adopted an investment policy for endowment assets that relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). A diversified asset allocation is targeted that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or NYPMIFA requires to be retained as a fund of perpetual duration. There were no such deficiencies as of December 31, 2013. Deficiencies of this nature that were reported in unrestricted net assets were \$79,664 as of December 31, 2012. These deficiencies resulted from unfavorable market fluctuations that occurred shortly after the investment of new permanently restricted contributions.

Note 8 - Commitments and Contingencies

CPJ has a non-cancelable lease agreement for office space which expires in 2019. Future minimum payments, excluding utilities and other escalations, under the lease are as follows:

For the year ending:	December 31, 2014	\$305,310
	December 31, 2015	311,416
	December 31, 2016	317,644
	December 31, 2017	323,997
	December 31, 2018	330,477
Thereafter		<u> 195,019</u>
Total		<u>\$1,783,863</u>

Note 9 - Employee Benefits

CPJ sponsors a defined-contribution pension plan. All full-time employees with one month of service are eligible to participate. Contributions of 3% are made annually. Total employer contributions for 2013 and 2012 totaled \$57,518 and \$57,291, respectively.

Note 10 - In-Kind Contributions

Donated services are recorded if they create or enhance non-financial assets or if the service requires specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by contributions.

In-kind contributions of \$150,821 were received during 2013, which were allocated as follows:

		Management	
		and	
	Programs	<u>General</u>	<u>Total</u>
Professional fees- Legal	\$0	\$100,000	\$100,000
Professional fees- Publishing	<u>50,821</u>	0	50,821
Total in-kind services	\$50,821	\$100,000	\$150,821
